Beyond Bewilderment

Finding personal success in testing

Lanessa Hunter
CAST 2014 NYC
August 2014

"Sell your cleverness and buy bewilderment."
- Rumi

Discontent

Testing can be tedious

Initiation

Building a testing culture

Emptiness

Testing without a map

Source: Selena Delesie CAST 2013 presentation
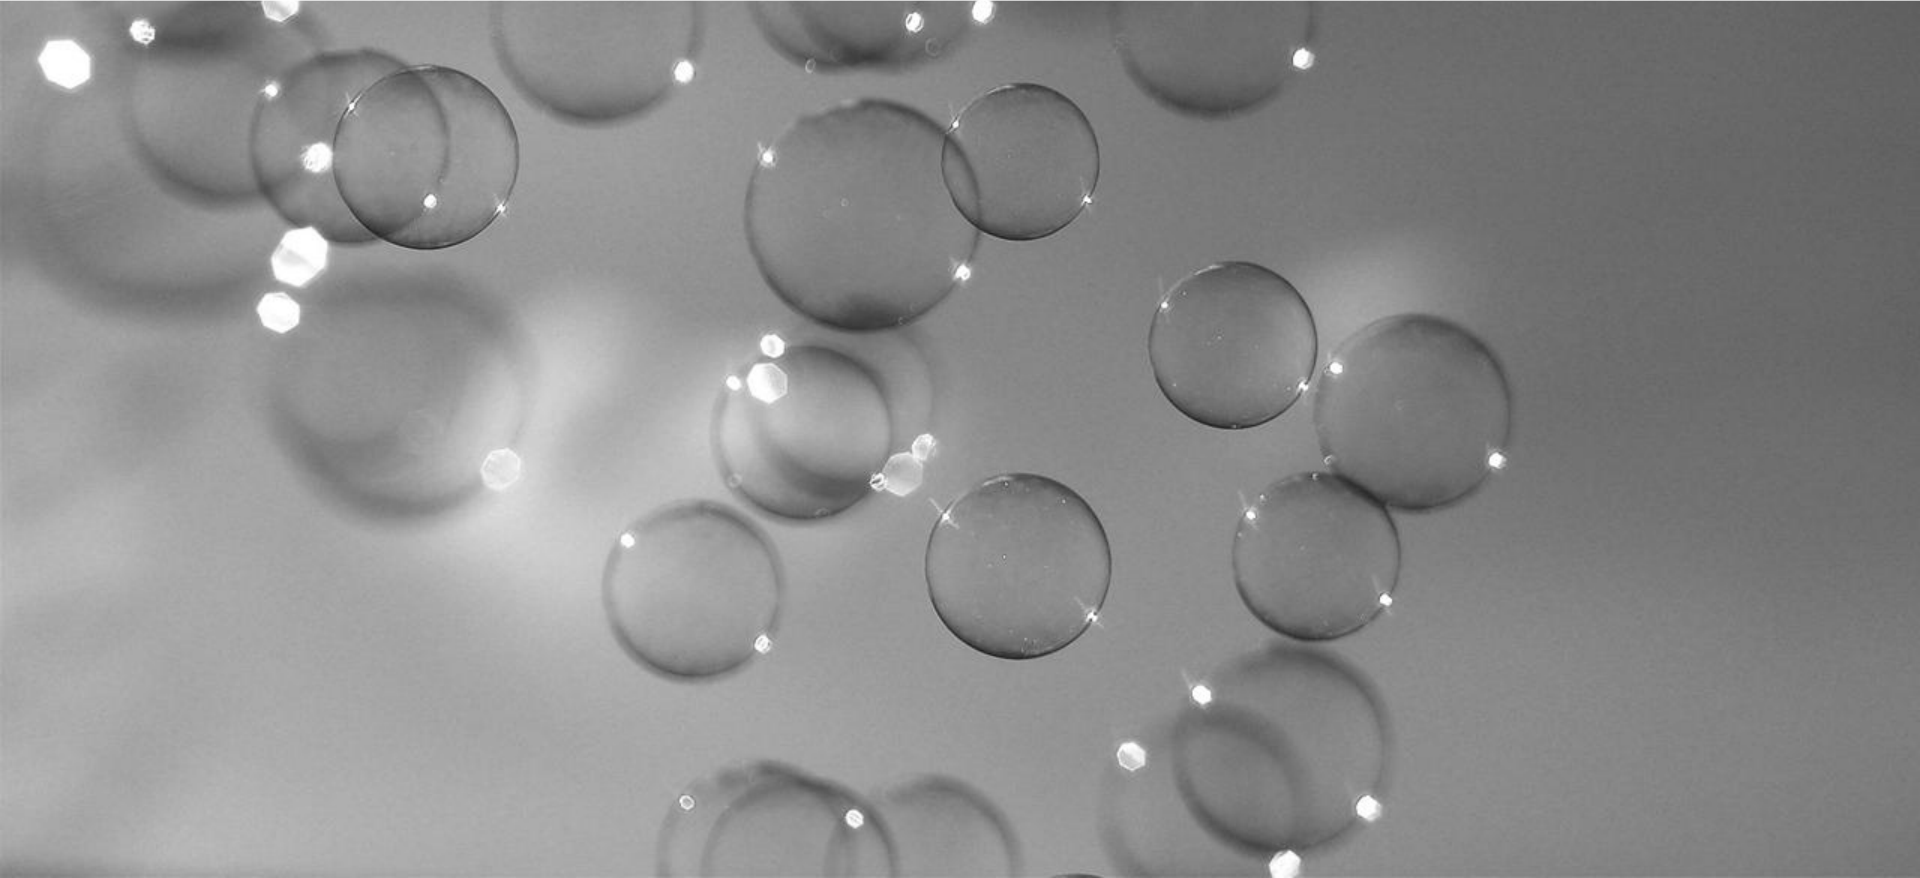

Chaos

Testers specialize in uncertainty

Chaos
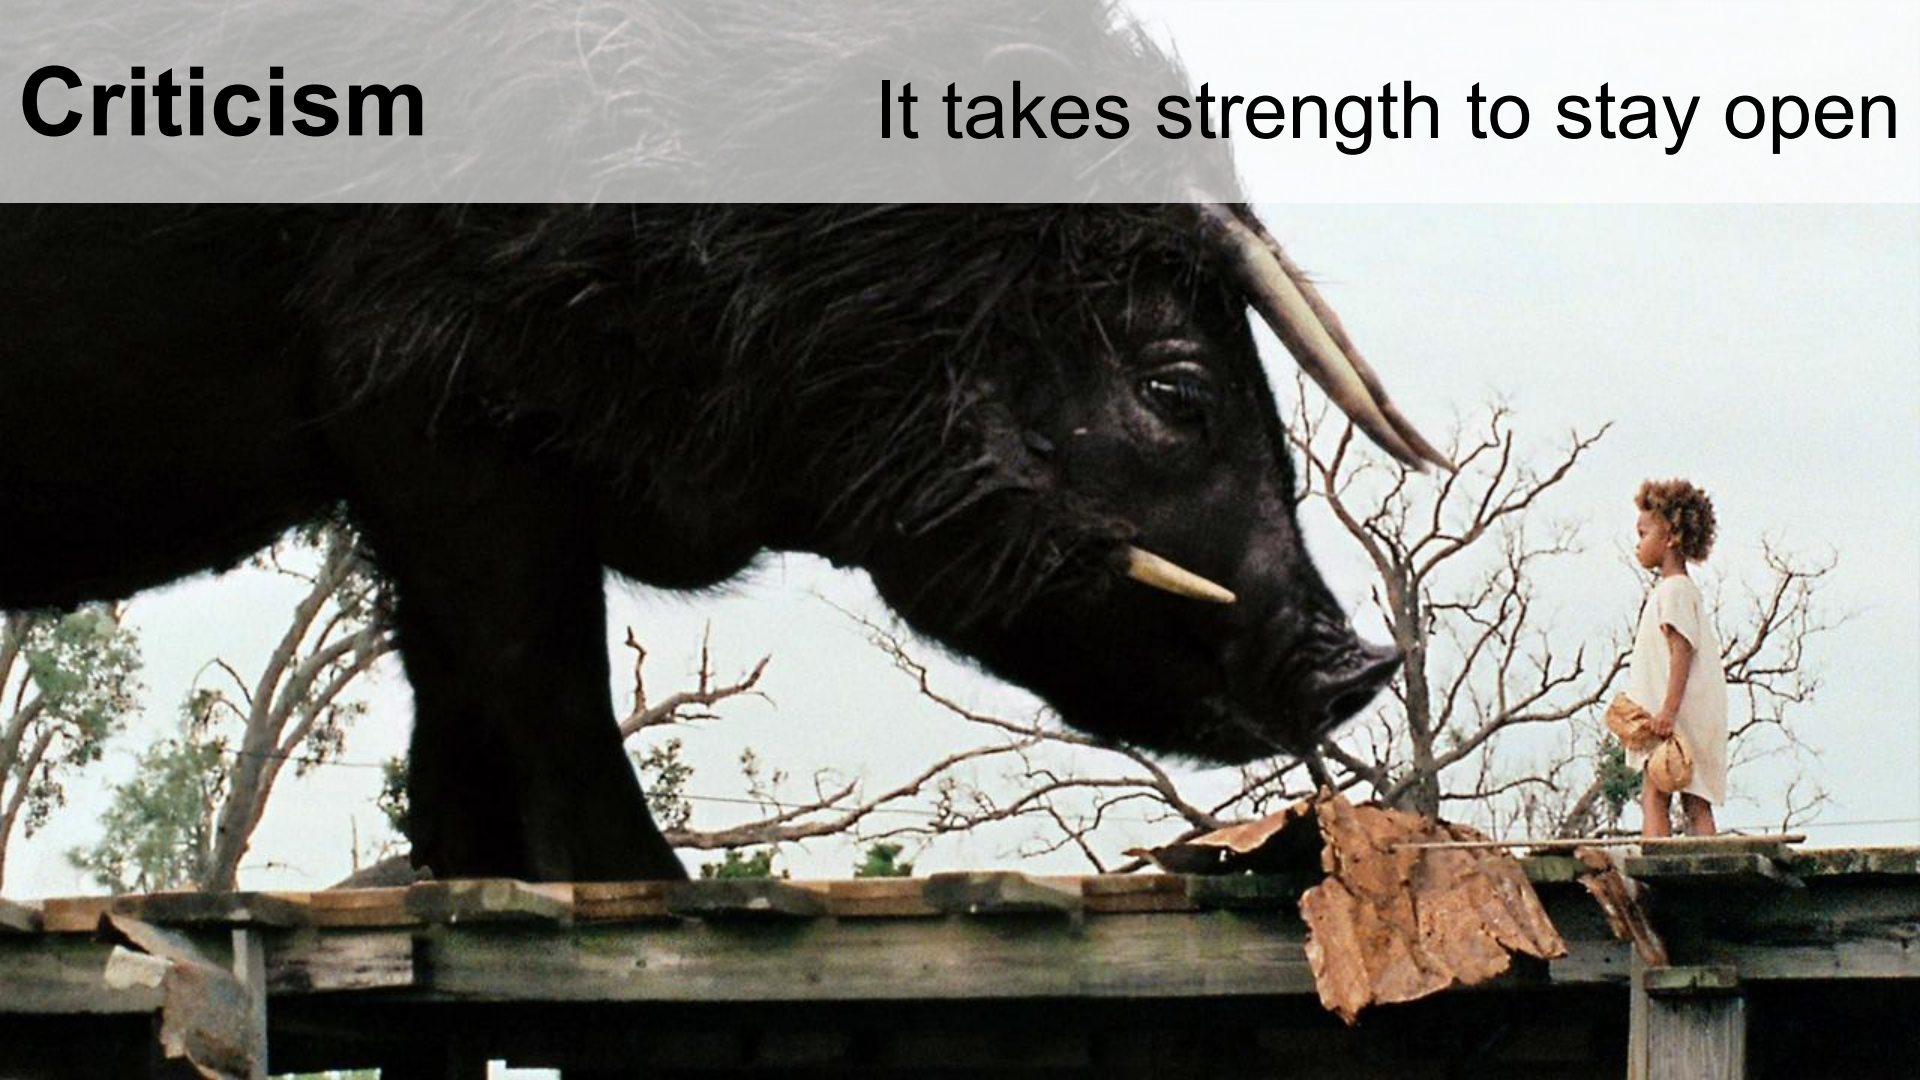

Creating Order

Criticism

We all make mistakes

Criticism

It takes strength to stay open

Meaning

The purpose of testing?

**Completion**   Approaches… patterns in testing

On Bewilderment

"By your stumbling the world is perfected."

-Sri Aurobindo
